

# Chinmay Jadhav

Entry Level Software Engineer

## WORK EXPERIENCE

### PHN Technology pvt ltd, Pune

Web Developer Intern

April 2023 – June 2023

- Gained hands-on experience in front-end web development using HTML and CSS.
- Contributed to various web development projects, demonstrating exceptional skills and a strong work ethic.
- Exhibited professionalism, adaptability, and a willingness to learn in a fast-paced environment.
- Received positive feedback for enthusiasm and a positive attitude, making a significant impact on the overall success of the program.

## ACADEMIC PROJECTS

### Smart Agriculture System ( Major Project )

June 2023 – May 2024

- Smart Agriculture System is a IOT based Project where we have implemented sensors, Machine Learning and Image Processing to embody the future of sustainable farming.
- This innovative solution aims to optimize sustainable farming practices by providing real-time data analysis for crop monitoring, disease detection, and resource management.

### Chess Game

Feb 2023 – May 2023

- Developed an interactive and functional chess game using Java.
- Implemented core chess mechanics including piece movements, capturing, and special moves (castling, en passant, promotion).
- Designed game logic to handle check, checkmate, and stalemate conditions.

### Object Detection Using Tensorflow

June 2022 – Dec 2022

- Utilized a publicly available dataset to train and validate the object detection model, ensuring diverse and comprehensive coverage of target objects.
- Experimented with various pre-trained models and fine-tuning techniques to optimize detection performance.
- Implemented convolutional neural networks (CNNs) to accurately identify and localize objects within images or video streams.

## CONTACT

- Mumbai, Maharashtra

- [GitHub](#)

## EDUCATION

### University of Mumbai

Bachelor's Of Computer Science Engineering With Honours In AIML

July 2020 - June 2024

CGPI : 7.66

## SKILLS

### Programming:

- Java
- Python

### Web Technologies:

- HTML
- CSS
- SQL

### Tools:

- Git/Github.
- Visual Studio
- Android Studio

## CERTIFICATION

- Java Programming  
(From Great Learning)
- SQL  
(From AI Gyan)
- Power BI  
(From Vishwaniketan's iMEET Institute)
- Prompt Engineering (Pursuing)  
(From AI Gyan)

## STRENGTHS

- Positive Attitude in Work
- Interested in Learning New Skills
- Quick Learner
